

Introducing the Pasifika Medical Association's most recent publication... *Nursing*

Navigators

These 22 remarkable Pacific nurses have dedicated their lives to improving the health of Pacific people. They are true pioneers - with invincible spirit they have overcome obstacles and been genuine innovators.

The stories that unfold in this book are unpredictable, exciting and inspirational.

The original 'Navigator's' book is also still available. It tells the stories of Pacific health pioneers - statesmen, surgeons, doctors, nurses, researchers and policy-makers. These are stories of sacrifice and commitment, - resourcefulness and imagination. They summon the voyager in all of us.
